Re Orange Tulip Scholarships

Honourable Minister,

I would like to inform you that the Netherlands higher education institutions have launched the Orange Tulip Scholarship (OTS) programme that include Zimbabwe as one of eligible countries.

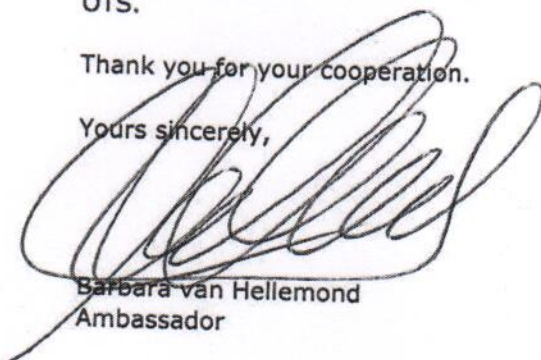

The OTS are funded by Dutch higher education institutions and mainly provide scholarships at Dutch universities for specific Bachelor's and Master's programmes.

OTS has 55 various scholarships available from 19 different Dutch institutions. More information on OTS can be found on:
<https://www.studyinholland.nl/nesosouthafrica/orange-tulip-scholarship>.

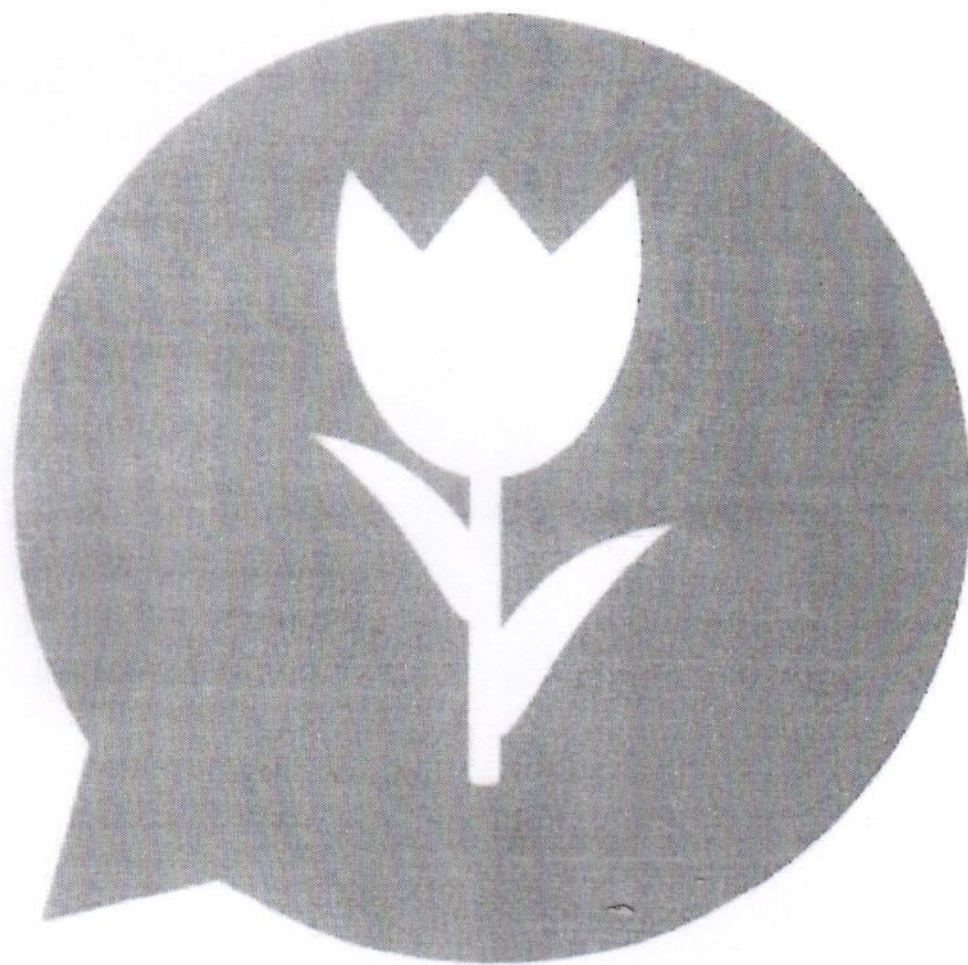

Attached please find a flyer for further distribution to Zimbabwe educational institutions. I noticed that your former university "Wageningen" is also part of OTS.

Thank you for your cooperation.

Yours sincerely,

Barbara van Hellemond
Ambassador
