### Calling all high-achieving Zimbabweans!

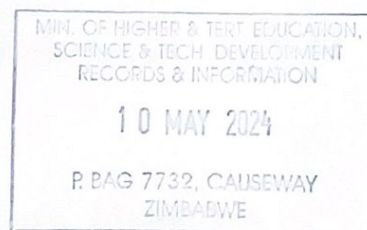

The Centre for Education Innovation Research and Development (CEIRD) offers **25 exceptional Zimbabweans** a unique opportunity to pursue a fully funded **two-year Master of Science (MSc) in an Engineering Technology field at RUDN** University in Russia.

#### This prestigious scholarship program includes:

- **Full tuition coverage** for your Master's degree.
- **Living expenses** while studying abroad.

#### However, to be eligible, you must:

- Demonstrate exceptional academic achievement.
- Commit to one year of intensive Russian language study before starting your Master's program.
- Upon graduation, be willing to contribute your expertise by working with CEIRD.

The scholarship requirement details are indicated in the following table:

Specialisation	No	Minimum Requirements
Technology of Automated Machine-Building	2	Upper 2 <sup>nd</sup> Class Honours Degree in a related field
Operation and Technical Expertise in Motor Vehicles	2	
Nanotechnologies & Microsystems Engineering	2	
Technologies for processing & interpretation of geophysical data	2	
Modern Internal Combustion Engines	2	
Innovative Technologies in Mineral Prospecting & Exploration	2	
Plant Protection: Plant Protection Systemic Technology	1	
Modern Biotechnologies in Animal Production	2	
Diagnostics of Illnesses & Therapy of Animals	2	
Technologies & Equipment for Mechanical Processing	2	
Recycling of Production & Consumption Wastes	2	
Building Designs, Buildings & Constructions	2	
Technology for processing precious stones and metals	2

CENTRE FOR EDUCATION INNOVATION RESEARCH AND DEVELOPMENT

---

Only shortlisted candidates as per the following criteria will be considered:

- ❖ Candidates **must** be nationals of Zimbabwe;
- ❖ Candidates with minimum requirements for the scholarship discipline as mentioned above;
- ❖ All interested candidates **must** submit for consideration a **detailed CV with personal and academic information**, a **letter of motivation** and a **research concept** note detailing how the MSc research project will produce goods and services for industrialisation under **CEIRD** and
- ❖ The selection weight will be heavily tilted towards evaluating the **research concept note**.

Candidates may apply for not more than two scholarship disciplines.

Females, marginalised groups and candidates with disabilities are highly encouraged to apply for the scholarship.

The degree program is scheduled to start in **August 2024**.

Eligible and interested candidates can hand deliver their applications no later than Wednesday, May 15 2024, and addressed to:

**The Permanent Secretary**  
**Attention: CEIRD**  
**Ministry of Higher and Tertiary Education Innovation Science and Technology Development Head Office**  
**Corner Simon V. Masinda and Samora Machel**  
**Third Floor Block F**  
**Mgandane Dlodlo Building (New Government Complex)**  
**Harare**
