

NOTICE TO STUDENTS ON REGISTRATION

This notice serves to advise students of the following registration information:

- Students can **provisionally** register for the semester upon payment of 60% of the applicable semester fees.
- This **provisional registration** expires eight (8) weeks from close of registration or by the mid-semester break, whichever comes first.
- The balance of 40% should be payable before the expiry of eight (8) weeks or the mid-semester break, to facilitate complete registration for the semester.
- Once registration has been suspended, a student will not be able to sit for end of semester examinations. For those on WRL, they cannot submit their reports for examination.
- A register to confirm fully registered students who will sit for examinations will be published immediately after the mid-semester break.

Students are encouraged to take serious note of this registration notice and act accordingly.

For queries on registration and payments, students should contact the Admissions and Records Office, as well as the Students Accounts Office for assistance. Alternatively, they can write to dracademic@gzu.ac.zw or gzuaccounts@gzu.ac.zw or studentaccounts@gzu.ac.zw.
