NOTICE TO STUDENTS: OFF CAMPUS ACCOMMODATION SAFETY ALERT

The Division of Student Affairs is committed to ensuring your safety and well-being. We have noted with great concern that accommodation organised through external agents poses significant risks to students.

Beware of Agents!

- The University is not involved and accommodation is not inspected by us
- High risk exposure to exploitation, crime and unsafe environments
- Agents misrepresent accommodation, share student information and link students with traffickers
- Potential exposure to prostitution, drug abuse, violence, physical assault, or other serious threats
- You'll pay exorbitant agent fees for no guarantee of safety
- Agents treat students as business projects, prioritising profit over safety

Your Safe Choice:

Book with University-recommended accommodation

- Vetted for safety, suitability and comfort
- No agent fees apply, saving your money
- Support and protection from the University
- Peace of mind to focus on your studies
- Convenient, secure and respectful environment
